

A word cloud visualization of the top 100 words from a dataset. The words are arranged in a dense, overlapping manner, with their size corresponding to their frequency. The most prominent word is 'foreign policy' in a large, dark teal font. Other significant words include 'middle east', 'saudi arabia', 'unite state', 'fatherland day', 'peace talk', 'assad force', 'defenders fatherland day', 'civil war', and 'muslim brotherhood'. The words are color-coded: dark teal for the most frequent, green for the next, yellow for the next, and purple for the least frequent. The background is white.
